

Sports Car Club of America

Workers/Instructors Wanted!!!

Michiana Double Driver's School/Regional

June 16, 17, 18, 2006

Gingerman Raceway

South Haven, Michigan

Indiana Northwest Region-SCCA, along with Detroit Region, Ft. Wayne Region and Western Michigan Region will be presenting this event. It is designed to allow new drivers to get their license requirements out of the way in one weekend, so we are hoping for a good turnout. As always, we need workers in all specialties especially on Friday if you can make it.

Instructors will be given a \$30 discount on the entry fee for the Regional race on Sunday. Then you can show your students how it is done on Sunday!

Come join us in initiating the newbies to the world of SCCA Club Racing. More Drivers=more cars at our events=better opportunities for the Regions to do well.

**For more info and the schedule, go to your home region website or:
